**STATEMENT OF UNDERSTANDING OF SEAMAN TO ADMIRAL – 21 PROGRAM (CEC OPTION) REQUIREMENTS**

I am volunteering for the Seaman to Admiral- 21 Commissioning Program (STA-21) as a Civil Engineering Corp Officer Candidate. If accepted, I understand that the following requirements apply:

a. Requirements for a Baccalaureate degree must be completed in 36 months or less.

b. Full time student status is required including school attendance during summer session.

c. Only NAAB-accredited architecture program or ABET-accredited engineering majors will be authorized. Preferred engineering degrees are civil, mechanical, and electrical engineering.

d. Complete two semester/three quarters of Calculus and Calculus-based Physics receiving a passing grade of "C" or better.

e. I will receive full pay and allowances for my enlisted pay grade and up to $10,000 per year, paid to the university by the Naval Service Training Command to supplement costs of tuition, books and other fees incurred. I understand that I will not be eligible for tuition assistance under the Navy's Tuition Assistance Program, nor will I be eligible to use any Montgomery GI Bill (MGIB) or Veteran's Educational Assistance Program (VEAP) educational benefits for current expenses while enrolled in the STA-21 program.

f. A semester/quarter grade point average (GPA) of less than 3.0 on a 4.0 scale may result in academic probation and/or disenrollment.

g. If disenrolled for any reason, I will not be allowed to remain in STA-21 and may be processed for separation or returned to the fleet for completion of obligated service.

h. I may be disenrollment for academic reasons or discipline/moral problems (drug usage, civil convictions, etc.).

i. STA-21 students who drop on request prior to commissioning will be obligated for 5 years of enlisted service from the date of program disenrollment or the remainder of their enlistment contract, whichever is longer.

j. STA-21 disenrollees who complete degree requirements, but fail to be commissioned, will incur a five year enlisted service obligation from the date of program disenrollment.

k. An enlistment of six years upon receipt of orders to STA-21 is required.

l. A five-year active duty obligation upon commissioning is incurred as a Civil Engineering Corp Officer

l. I currently meet the Navy's physical fitness and height, weight and body fat standards of OPNAVINST 6110.1 series and understand that I am required to remain within these requirements (must maintain a **good low** for the duration of the program).
